

Classification List of Goods and Services

1. CLASS

Chemicals used in industry, science, photography, agriculture, horticulture, and forestry (including biological preparations used in industry and science, pectin, lecithin, enzymes, and preservatives used in the food industry, vitamins, preservatives, and antioxidants used in cosmetics production) 1.

Fertilizers and soils 2.

Unprocessed artificial resins and unprocessed plastics 3.

Fire extinguishing substances 4.

Adhesives for stationery, medical, and household purposes 5.

2. CLASS

Paints, varnishes, lacquers, rust preventatives, wood preservatives, binders and thinners for paints, pigments, coating materials (in paint form), metal preservatives, shoe polishes; printing inks and toners (including filled toner cartridges); substances for coloring foodstuffs, pharmaceuticals, and beverages 6.

Unprocessed natural resins 7.

Metal sheets and powders for painters, decorators, printers, and artists 8.

3. CLASS

Bleaching and cleaning agents; detergents, laundry bleaches, fabric softeners, stain removers, dishwashing agents, cleaning cloths impregnated with cleaning substances 9.

Perfumery, perfumed wipes, cologne wipes; cosmetic substances, non-medicated cosmetic products, personal and room fragrances (including deodorants for humans and animals) 10.

Soaps (excluding medicated soaps) 11.

Dental care products: toothpastes, tooth polishing and whitening substances, non-medicated mouthwashes 12.

Abrasive products: sandpaper, abrasive cloths, pumice stones, abrasive pastes 13.

Polishing and care products for leather, vinyl, metal, and wood: polishes, care creams, polishing wax 14.

4. CLASS

Industrial oils, greases, cutting fluids, dust absorbing, wetting, and binding substances 15.

Solid fuels; coals, wood 16.

Liquid and gaseous fuels; gasoline, diesel, liquefied petroleum gas, natural gas, fuel oil, and their non-chemical additives 17.

Candles for lighting, wicks, semi-processed waxes, beeswaxes, paraffins 18.

Electrical energy 19.

5. CLASS

Medicines for human and animal health, chemical products for medical and veterinary purposes, radioactive chemical substances for medical and veterinary purposes, cosmetics containing medicines 20.

Dietetic substances suitable for medical and veterinary use; dietary supplements for humans and animals, food supplements; medical preparations for weight loss; baby foods; medicinal plants and herbal beverages for medical purposes 21.

Products for dentistry (excluding instruments/devices); dental filling materials, dental impression materials, adhesives and repair materials for prostheses and artificial teeth 22.

Hygiene products; pads, tampons, medical plasters, dressing materials, diapers for children, adults, and pets made of paper and textile 23.

Substances for destroying harmful insects, harmful plants, harmful fungi, and rodents 24.
Deodorants, air purifiers, and odor removers, excluding those for humans and animals 25.
Disinfectants, antiseptics (germicides), medical detergents, medicated soaps, disinfectant soaps, antibacterial hand lotions, disinfectant or antibacterial lotion-impregnated hygiene wipes 26.

6. CLASS

Non-precious metal ores 27.

Common metals and their alloys and semi-finished products: construction irons; meshes and stirrups for construction; sheets, billets, rods, profiles, plates, sheets of common metals 28.
Materials and tools made of metal for housing, storage, preservation, coating, wrapping, enclosing, storage, placement purposes; metal structures, mobile homes made of metal, metal boxes, metal packaging, metal fences, railings, metal tubes, metal containers, metal storage tanks, metal transport crates, portable metal ladders 29.

Metal doors and windows, shutters, blinds, and their frames 30.

Non-electric metal cables, wires 31.

Hardware items made of metal; screws, nails, bolts, nuts, pins, washers, metal pitons for climbers, chains, metal furniture fittings and wheels, metal furniture and bed wheels, door and window handles, metal hinges, espagnolette, metal locks, lock keys, metal key rings, metal reels 32.

Ventilation, heating, sewerage, telephone, underground electrical and air conditioning installations made of metal; ventilation ducts, grilles, chimney caps, manhole covers, gratings 33.

Metal materials for marking, guiding, indicating, promoting purposes: signs, panels, plates, non-illuminated traffic signs made of metal 34.

Metal pipes for liquid or gas transport, drilling pipes and their fittings: metal valves, couplings, elbows, clips, extensions 35.

Metal safes 36.

Railway materials made of metal: rails, rail connections, switches 37.

Metal bollards and buoys, metal buoys, anchors for marine vessels 38.

Metal molds for casting (excluding machine parts) 39.

Works of art made of common metals or their alloys; trophies awarded in competitions made of common metals 40.

Metal lids, bottle caps 41.

Metal poles, metal posts, metal construction scaffolds, metal stakes 42.

Metal pallets for lifting, loading, and transport, metal ropes, metal slings, straps, columns, belts, and bands used in lifting and transport 43.

Metal chocks for vehicle wheels 44.

Metal profile strips for vehicles (for decoration purposes) 45.

7. CLASS

Machines, machine tools, and industrial robots for processing and shaping wood, metal, glass, and plastic materials and minerals; three-dimensional printers 46.

Construction machines: bulldozers, shovels, excavators, road construction and paving machines, drilling machines, rock drilling machines, sweeping machines, and robotic mechanisms with the same function 47.

Lifting, transporting, and conveying machines: elevators, escalators, cranes, robotic mechanisms with the same function 48.

Machines and robotic mechanisms used in agriculture, livestock, agriculture sectors, and grain/fruit/vegetable/food processing, beverage making and processing machines 49.

Motors, electric motors, their parts and fittings, excluding those for land vehicles; hydraulic, pneumatic controls, brakes, linings, crankshafts, gears, cylinders, pistons, turbines, filters, excluding those for land vehicles; parts used in vehicles and included in this class; oil, fuel, and air filters for vehicles, exhausts, exhaust manifolds, cylinders, cylinder heads, pistons, carburetors, fuel conversion devices, injectors, fuel-saving devices, pumps, valves, starters, dynamos, spark plugs 50.

Bearings, ball or roller bearings 51.

Tire changing and fitting machines 52.

Alternators, generators, electric generators, solar-powered generators 53.

Paint machines, automatic paint spray guns, electric, hydraulic, and pneumatic punching machines and guns, electric glue guns, pressure air or liquid spray guns, electric hand drills, motorized hand saws, jigsaws, spiral machines, pressure air producers, compressors, car washing machines, and robots with the same function as the above-mentioned machines and tools 54.

Electric and gas welding machines, electric arc welding devices, electric soldering devices, electric arc cutting devices, electric welding machine electrodes, and robots with the same function 55.

Printing machines 56.

Packaging machines, filling-capping and sealing machines, labeling machines, sorting machines, and robots and robotic mechanisms with the same function as the above-mentioned machines (including electric plastic sealing devices [packaging]) 57.

Textile machines, sewing machines, and industrial robots with the same function; sewing machine needles 58.

Pumps that are not machine or motor parts (including fuel filling and distribution pumps and their guns) 59. Electric kitchen appliances for chopping, grinding, crushing, whipping, and crumbling; washing machines (including washing machines for laundry/dishwashing, non-heated centrifugal laundry dryers); electric machines for cleaning floors, carpets, or upholstery, vacuum cleaners, and their parts 60.

Vending machines 61.

Galvanizing and electrolysis (electroplating) machines 62.

Electric opening and closing mechanisms 63.

Cylinder gaskets for machines and motors 64.

8. CLASS

Forks, spoons, knives, and non-electric cutting kitchen tools made of precious metals 65. Cutting and thrusting weapons 66.

Tools included in this class used for beauty and personal care; shaving, epilation, manicure, pedicure tools, hand tools for straightening and curling hair, scissors 67.

Hand tools (non-electric and non-motorized) for machine, device, and vehicle repair, construction, agriculture, gardening, and forestry 68.

Electric and non-electric, steam irons 69.

Handles made of all kinds of materials 70.

9. CLASS

Measuring instruments, devices for scientific, nautical, surveying, meteorological, industrial, and laboratory use; non-medical thermometers, barometers, ammeters, voltmeters, hygrometers, test devices, telescopes, periscopes, binoculars, magnifying glasses, compasses; vehicle indicators; laboratory materials; microscopes, experimental materials and devices 71.

Devices for recording, transmitting, or reproducing sound and images; cameras, photographic cameras, televisions, videos, CD-DVD recording and playback devices, MP3 players, and remote control devices used with them, computers, desktop-tablet computers, wearable technological devices (smartwatches, bracelets, head-mounted devices), microphones, speakers, headphones; communication and duplication devices and computer peripherals; mobile phones and their cases, mobile phone screen protectors; landline phones, telephone exchanges, computer printers, scanners, photocopiers 72.

Magnetic, optical recording carriers and computer programs and software recorded on them; electronic publications downloadable via computer networks and recordable on magnetic and optical media, mobile applications, cryptocurrencies (software), non-fungible tokens (Qualified Intellectual Property Deed); magnetic/optical reader cards, magnetic, optical, and electronic media recorded movies, series, and video music clips 73.

Antennas, satellite antennas, amplifiers, and their parts 74.

Ticket vending machines, cash withdrawal machines 75.

Elements used in the electronics of machines and devices; semiconductors, electronic circuits, integrated circuits, chips, diodes, transistors, magnetic heads, deflectors; electronic locks, photocells, electronic opening and closing mechanisms, and remote control devices used as their parts, sensors 76.

Meters and timers measuring consumption per unit time 77.

Protective clothing, protection and life-saving equipment 78.

Glasses, sunglasses, lenses, and their cases, covers, parts, and accessories 79.

Devices and tools for transmitting, converting, storing, controlling electrical energy; plugs, junction boxes, switches, circuit breakers, ballasts, starters, electrical panels, resistors, sockets, transformers, adapters, chargers, cables used in electricity, electronics, batteries, accumulators, solar panels for electricity generation, charging stations for electric vehicles 80.

Devices whose main function is warning and alarm (excluding vehicle alarms), electric bells 81.

Signaling, indicating devices and tools for traffic use 82.

Firefighting vehicles, including those for firefighting purposes, firefighting hoses, and firefighting valves 83.

Radars, submarine radars (sonars), night vision or enhancing devices and tools 84.

Decorative magnets 85.

Metronomes 86.

Humanoid robots with artificial intelligence, laboratory robots, robots for educational purposes, security monitoring robots 87.

10. CLASS

Surgical, medical, dental, and veterinary instruments, devices, and furniture 88.

Artificial organs and prostheses 89.

Medical orthopedic materials: medical corsets, orthopedic shoes, elastic and supportive bandages 90.

Operating room clothing and sterile covers, health masks 91.

Sexual tools and materials 92. C

condoms (condom/cap) 93.

Baby bottles, bottle nipples, pacifiers, teething rings for babies 94.

Medical bracelets and rings, anti-rheumatic bracelets and rings 95.

11. CLASS

Lighting devices (fixtures for vehicles, indoor and outdoor spaces) 96.

Solid, liquid, gaseous, and electric heating devices; combi boilers, boilers, radiators, heat exchangers, stoves, cookers; solar energy collectors 97.

Steam, gas, and mist (smoke) generators; steam generators (boilers), acetylene generators, oxygen generators, nitrogen generators 98.

Air conditioning and ventilation devices 99.

Refrigerators and freezers 100.

Electric and gas appliances, machines, and devices used for cooking, drying, and boiling; ovens, electric pots, electric kettles, grills, barbecues, electric laundry dryers, hair dryers, and hand dryers 101.

Plumbing products; faucets, shower sets, toilet cisterns, bathroom-shower cabins, bathtubs, toilets, sinks, washbasins, gaskets for faucets, seals (faucet fittings) 102.

Water softening devices, water purification devices, water purification installations, waste treatment installations 103.

Non-medical electric underlays and electric blankets, heating pads, electric or non-electric foot warmers, hot water bottles (thermophores), electrically heated socks 104.

Filters and filter-motor combinations for aquariums 105.

Industrial cooking, drying, and cooling installations 106.

Pasteurizing and sterilizing machines 107.

12. CLASS

Motorized land vehicles (including motorcycles and mopeds) and engines, clutches, transmission connections, transmission belts and chains, gears, brakes, brake discs and pads, chassis, bodies, suspensions, shock absorbers, transmissions, steering wheels, rims, forklifts, caravans (including motorhomes and trailers) 108.

Bicycles and their frames, handlebars, mudguards, saddles 109.

Vehicle bodies, dump bodies, tractor trailers, refrigerated bodies, trailer connections 110.

Vehicle seats, headrests for seats, child safety seats, seat covers, vehicle covers (shaped to fit the vehicle), sunshades 111.

Levers for turn signals, wipers for vehicle windows, wiper arms 112.

Inner and outer tires for vehicles, tubeless tires, tire repair kits, patches for vehicle tires, welding patches, valves for vehicle tires 113.

Vehicle windows, safety vehicle windows, rearview mirrors and side mirrors for vehicles 114.

Skid chains 115.

Roof racks for vehicles, bicycle and ski carriers 116.

Tire inflators 117.

Anti-theft alarms for vehicles, reverse alarms, horns 118.

Seat belts for passengers, airbags 119.

Baby carriages, wheelchairs, strollers 120.

Handcarts, market carts, single or multi-wheeled handcarts, shopping carts, wheeled carriers for household items 121.

Rail vehicles: locomotives, trains, trams, wagons, cable cars, chairlifts 122.

Marine vessels and parts (excluding engines) 123.

Aircraft and parts (excluding engines). Drones, unmanned aerial vehicles 124.

13. CLASS

Firearms, air guns, bows, and their holsters and carrying straps, and ammunition used with them 125.

Heavy weapons, mortars, rockets, ammunition and explosives used with them 126.

Fireworks 127.

Protective gases for personal use 128.

14. CLASS

Jewelry items (including imitations); precious metals, jewels, precious stones, and jewelry made from them, cufflinks, tie pins, sculptures and figurines made of precious metals, keychains made from various materials 129.

Watches and time measuring devices (including chronometers and their parts, watch straps) 130.

Trophies awarded in competitions made of precious metals 131.

Prayer beads 132.

15. CLASS

Musical instruments and their cases 133.

16. CLASS

Paper, cardboard; packaging and wrapping materials made of paper or cardboard, cardboard boxes; single-use products made of paper (excluding stationery products): paper towels, toilet paper, paper napkins 134.

Packaging and wrapping materials made of plastic; plastic bags, stretch films, nylon sheets for wrapping and packaging purposes 135.

Printing and binding materials 136.

Printed publications, printed documents: books, magazines, newspapers, invoices, delivery notes, receipts, calendars, posters, photographs, posters, paintings, stickers, stamps 137.

Stationery, office, education-teaching, writing, drawing, painting, and artist materials (excluding furniture and devices): stationery-type paper products, adhesives, pens, erasers, stationery-type tapes, cardboard for crafts, writing papers, copying papers, cash register paper rolls, drawing tools, blackboards, painting colors 138.

Office machines 139.

Brushes and rollers for whitewashing and painting 140.

17. CLASS

Rubber, gutta-percha, asbestos, mica, or synthetic materials in powder, sheet, rod, and foil form 141.

Insulation, filling, and sealing materials; paints used for insulation, fabrics for insulation, tapes for insulation, covers for insulation, joint fillers, gaskets, O-rings (excluding gaskets for motors, cylinders, and faucets) 142.

Flexible tubes, hoses made of rubber, plastic, or rubber (including those used for vehicles), pipe sleeves and fittings; textile hoses, non-metal pipe sleeves, fittings, and connections, hose fittings, radiator hoses for vehicles (excluding fire hoses) 143.

Profile strips made of synthetic materials for vehicles (for decoration purposes) 144.

18. CLASS

Processed or unprocessed leathers and hides, artificial leathers, sole leathers, lining leathers 145.

Items made of leather, leather imitations, or other materials for carrying purposes not included in other classes; bags, wallets, leather or sole boxes and trunks, key holders, suitcases, luggage 146.

Umbrellas, sun umbrellas, sunshades, canes 147.

Whips, harnesses, saddles and their parts, collars for pets, clothing for pets 148.

19. CLASS

Unshaped materials included in this class: sand, gravel, crushed stone, asphalt, tar, cement, lime, plaster, concrete, marble blocks 149

Concrete, plaster, soil, clay, stone, marble, wood, plastic, or synthetic materials shaped for construction/building/road construction and similar purposes; non-metal buildings/structures, non-metal mobile homes, building elements, poles, barriers, natural or synthetic heat-sealable

coatings, tarred cardboard for roofs, tarred coatings, wooden and synthetic material doors and windows, natural/artificial stone and ceramic (tile) tiles, floor coverings 150.

Non-metal, mechanical, and non-illuminated traffic signs for roads 151.

Monuments, statues made of concrete, stone, or marble 152

Glass products for construction 153

Non-metal prefabricated swimming pools 154

Aquarium sands 155

20. CLASS

Furniture, clothes hangers, regardless of the materials they are made from 156

Mattresses, pillows, non-medical beds and pillows, water beds 157.

Mirrors 158

Beehives, artificial honeycombs, and honeycomb frames 159.

Baby carriers, playpens (for indoor use), cribs, walkers for babies 160.

Panels made of wood or synthetic materials, frames for pictures, paintings, identity cards, tags, nameplates, labels 161.

Barrels, drums, cans, tanks (reservoirs), boxes, packaging containers, transport containers, crates, transport pallets made of wood or synthetic materials, and lids used with them 162.

Hardware items made of wood or synthetic materials, furniture fittings, opening and closing mechanisms 163.

Decorative and ornamental items made of wood, cork, reed, bamboo, wicker, horn, bone, ivory, whalebone, shell, amber, mother-of-pearl, meerschaum, plastic, or plaster; figurines, wall hangings, statues, and trophies awarded in competitions made of the above-mentioned materials 164.

Baskets, fishing baskets 165.

Kennels, nests, beds for pets 166.

Portable ladders, movable ladders made of wood or synthetic materials 167

Bamboo blinds, roller blinds (indoor), strip blinds, bead curtains for decoration; curtain hooks, curtain rings, curtain rods 168

Non-metal chocks for vehicle wheels 169.

21. CLASS

Non-electric cleaning tools and equipment; brushes excluding paint brushes, steel wool, sponges, steel wool, cleaning cloths made of textile, dishwashing gloves, non-electric polishing machines, carpet sweepers, mop sticks 170.

Toothbrushes, electric toothbrushes, dental floss, shaving brushes, hairbrushes, makeup brushes, combs 171.

Non-electric household and kitchen utensils and containers (including those made of precious metals); tableware, pots and pans, bottle openers, flower pots, straws, non-electric cooking utensils, non-electric grills and skewers for use with them, water pump for water dispensers (including battery-operated and rechargeable) 172.

Ironing boards and covers, clothes dryers 173.

Cages, aquariums, vivariums, terrariums for pets 174
